THE TOWN RECORD

By MONTE DAYTON

MR. and MRS. EDWARD SABINA, 602 San Diego avenue, held the choice ticket in the Westlake giveaway last week, but they won't be able to enjoy the 10-day-all-expense-paid jaunt in the Hawaiian Isles.

On hearing the outcome of the drawing, Mrs. Sabina's ticker gave out on her momentarily. The infirmity will make it impossible for the couple to take the trip. However, all is not lost for the Sabinas. Westlake will give them the price of the trip in cash. Somewhere around $500 smackers, which is OK, even when you consider there's no hula girls thrown in.

Also along sick bay row is JOE LEWKOWITZ, well known proprietor of a local gas pumpery.

Joe was operated on at St. Joseph's hospital last weekend and his condition is reported as fair-to-middlin. He's expected to be on his backside another week or so.

Inspector AUGUST BENASSINI of the local gendarmes altered his single status with a trip to the altar. Making the trip with "Augie" was the former LILLIAN KRAFT.

Rumor heard this week could mean a future in the blue chips for LEO GINNICCHINE, outfielder for JOE SARTO'S athletic club. Reports are that Leo was approached by PADDY COTTRELL, the Yankee's eagle-eyed baseball scout. The youthful prospect is most renowned for his ferocity at the plate.

MARIO JOHNSON, Burgermeister's Boxcar Baron, is strolling the streets of Daly City with a contented grin on his kisser. Johnson exercised his seniority to take an early vacation from the 100 pound sacks he hauls to keep Bergie brewers busy.

If you see a cocker spaniel puppy wearing cuff links and an overly large (anyway for a pooch) partial dental plate, tell LEO DOOLIN, local businessman. The just-named articles have been missing ever since Leo acquired "the doggie in the window," BILLY. Some of Billy's other pilferings include shoes, socks and a mop.

Just to disprove the sometimes popular belief that all employers are bad names is a little note received this week from ERMA MESSINA, MICKY ALBRIGHT, MOLLY MULVONE and FLO SWARTFAGER, all on the staff of the Spudnut shop, 6714 Mission street.

They extended best of luck to "a wonderful couple and bosses," MR. and MRS. JOHNNIE KRUK, owners of the establishment the past three years. Tomorrow night marks No. 8 in wedded years for the Kruks.

The home of MRS. LUCY WATERMAN, 182 Acton street, was the setting Monday for a Waterman clan re-union. Her son, BILL WATERMAN, whom she hasn't seen for six years, came all the way from Massachusetts with wife and two young-uns. Bill was born and reared here.

The Monday occasion was christening of DEBRA LUCILLE, the five-month-old child of FRED WATERMAN, Bill's brother.

Off on their annual hot-weather tour to Alabama, Mississippi and Florida are MRS. THEORA STEVENSON and her son, HERMAN, of 184 East Vista avenue.

They expect to hit home again about September. Mrs. Stevenson will be in Camp Rucker, Ala., for the arrival of the first child of her only daughter, MRS. GWEN WINDHAM, who resided with her mother here while husband HANK was entrenched in Korea.

Mrs. Stevenson is bidding for honors as the city's busiest grandmother, as on her September return she will await the October arrival of another wee-one, this one of her son and daughter-in-law, DEE and KAY STEVENSON, local residents.

Grandmother-twice-to-be Stevenson says she misses the cool weather of Daly City. Silly, misinformed girl.

DALY CITY FIREWORKS JULY 4TH

Daly City is going to have its annual July 4th fireworks display. However, to make this display more visible and enjoyable for everyone, it will be presented from the hills east of Mission street above the Brunswick street extension. This will make it possible for everyone in Daly City, and a large portion of San Francisco, to see the display—even the Peninsula may enjoy it. This site will also eliminate the crowds in the park from gathering in a small congested area.

To enable those wishing to get a closer view, Hillside boulevard will be closed to vehicles from Mission street to Alp street.

The fireworks will start at 9 p.m. and will be the biggest display ever presented in Daly City. In case of poor weather, the display will be postponed until the following evening.

WALLY HONEYWELL IS NOMINATED AT STATE CAPITAL

Wally Honeywell, top Jefferson ace in three sports, was nominated to the lieutenant-governorship of the Boys' State which is being held in Sacramento currently.

Honeywell, who was chosen to represent his school by members of the student body and faculty, received the nomination for the high office because of the interest he displayed in the community affairs of the area in which he is residing while at Boys' State.

FREAK ACCIDENT

Gigli Plumbing Co. needed a new plate glass window this week as a result of a freak accident.

A parked car belonging to Leonard Woods Hind was hit by Jesse Gomez, a soldier stationed in northern San Mateo county. It jumped the curb and crashed through the Gigli's front window.

Andre Gitierez, a passenger in the Gomez car, was slightly injured.

Gomez was cited for driving without due caution, and speeding.

D.C. Creamery Owner Suffers Severe Burns When Oven Explodes

Angelina Mahood, one of the new partners in the Daly City creamery, 6288 Mission, has been absent from work since last Monday because of severe burns about the arms and face. The accident occurred when an oven blew up. She may be off the job for some time.

Anxious Crowd Hopes Fate Is Kind In Drawing For Many Prizes

PART OF THE throng that gathered in Westlake for grand drawing Friday night are shown here anxiously awaiting the selection of tickets and hoping fate is kind to them. First prize of 10-day trip to Hawaiian Islands went to Mr. and Mrs. Edward Sabina of 602 San Diego avenue. Several other vacation prizes and an array of home appliances were awarded at the drawing, sponsored by Westlake merchants.

YOUTH PLEADS GUILTY TO COLMA GRAND THEFT

Alleged Accomplice Denies Any Connection

One San Francisco youth pleaded guilty to carrying a concealed weapon and another admitted to a grand theft charge in preliminary hearing held Tuesday in Judge Thomas L. Bocci's Municipal court.

The two charges arose out of the burglary June 14 at the William Crow garage on San Pedro road in which an estimated $1000 worth of equipment and tools was taken.

The pair, Robert Louis Secchitano, 21, and Duane Lee Allison, 24, both employees at the garage, were grilled by Broadmoor police earlier in connection with the robbery and were later charged with grand theft. The police, after discovering a pair of brass knuckles on Allison's person, charged him with carrying a concealed deadly weapon.

Secchitano has admitted to the burglary and Allison confessed to the weapons charge, but the latter has denied implication in the theft.

Police picked up Secchitano the day after the robbery as a chief suspect, since he had been fired by Crow only two days earlier.

During two hours of questioning, Secchitano told police that Allison aided him in the plot.

The pair have been bound over to Superior court. No date has been set for their trial.

DALY CITY WILL HAVE FIRST FIRE CAPTAIN . . COUNCIL NAMES HANSON

After a heated exchange between Councilman J. Paul Green and Fire Chief Elmer Kennedy, Mel Hanson was promoted to the rank of captain in the Daly City fire department effective July 1. This makes him the first captain in the city's history.

Green accused Kennedy of "being a fish one year, and fowl the next" when the city council was asked to approve two lists of possible candidates for the newly-created position. These lists were submitted to the council by the Civil Service Board of Review and designated as promotional lists and open lists. The open list included members of the volunteer fire department.

Kennedy explained that the two lists were necessary to distinguish between the two groups. He said that the set-up was peculiar because of the nature of the Daly City fire department, and stated further that Daly City was probably the only city in California which had volunteer firemen on its civil service list.

Councilman Green contended that there should be a single list which would include personnel of both departments. He said that in previous years Kennedy had maintained the same thing.

Chief Kennedy explained that the volunteer firemen had been given an opportunity to become regulars some time ago, and that members of the regular department must now pass a physical as rigid as that of the police. The other members of the council agreed with Kennedy and the lists were accepted by a 4-1 vote.

Hanson's appointment followed.

THERMOMETER DOESN'T FIB; IT'S REALLY HOT ! ! !

Brief attire, cool drinks and a general aura of disbelief have become the order of the day in Daly City as the sunshine favored this city for the second consecutive week, believed by many of the oldtimers to be a new record.

The fahrenheit Wednesday reached the almost unheard of height of 86 degrees and weather prognistacators say it may get even warmer.

Evidence was all around that old man Sol had favored this city with one of his longer visits.

At the Jefefrson high pool, where a swimming program is being conducted, the kids swarmed there like lemmings on their annual journey to the sea.

Lawns throughout the city were strewn with scorched members of humanity, seeking relief from their sweltering apartments or attempting to tan themselves while the tanning was good.

Though a striking departure from the conventional weather, general concensus has been that the sunshine is a welcome visitor.

Even if the "heat wave" ends today, it'll be something to tell the grand kids about.

LOCAL MAN IN COURT . . NARCOTICS

A Daly City man is among the 31 who must appear in Department 19 of the San Francisco Superior court today (Friday) to face possible arraignment on an alleged charge of procuring and furnishing drugs to minors.

He is Peter Fernandezees, 20, of 324 San Diego avenue.

Fernandezees was lodged in San Francisco county jail No. 1 after his arrest Saturday on an indictment by the San Francisco grand jury. Police reported that bail was set at $5000 or $10,000 bond.

Daly City, Colma Added To The San Francisco Social Security Office

Effective July 1 the towns of Daly City and Colma will be part of the area served by the San Francisco office of the Social Security Administration, Department of Health, Education, and Welfare. Formerly these towns were served by the Social Security office in San Mateo.

"Residents of Colma and Daly City who have dealings with the Social Security office should contact the San Francisco office at room 159, Federal Office building," said Edward J. Foley, manager of the San Mateo office. "Further arrangements for contacting persons in Daly City and Colma will be made shortly by the office."

Westlake Shopping Center Awards Go To Local Families

Nine of the 11 prizes offered by the 32 Westlake Shopping center merchants went to Daly City residents at the drawing last Friday night in front of the Mall.

Here are the winners:

Edward Sabina, 602 San Diego avenue, was the winner of the ten-day trip to Hawaii.

Walter K. Arms, 261 Glenwood avenue, won the week in Hollywood in the Hollywood-Roosevelt hotel.

The week at Lake Tahoe will be spent by Ray R. Grigga, 120 Lynnewood drive.

Winner of fourth prize was San Franciscan John Ross of 142 Beverly. This is a week at Hoberg's, the famous northern California resort.

The Crosley refrigerator went to J. Schauer, 8 Woodrow avenue.

Mrs. Gugel won herself a 21-inch Crosley television set. She lives at 38 Westlawn avenue.

The Moroney family of 1901 42nd avenue will be washing their clothes with a Westinghouse Laundromat in the future. They won seventh prize.

Eighth prize went to another Lynnewood drive family when A. Villafranca won the Waste King garbage disposal unit.

Breakfast coffee at 125 Westdale drive will be made in a Sunbeam coffee-maker since the family re-

SERGEANT BOLGER ILL

Sergeant William Bolger of the Daly City police is resting well in Oak Knoll hospital where he was taken early this week for treatment of a stomach condition.

According to some of his fellow officers who visited him last night, Bolger expects to be home early next week.

Sergeant and Mrs. Bolger live at 43 Risel street.

Giuliani Claim Settled For $20,000 In Court

A $20,000 settlement for injuries received in an automobile was approved by Judge Aylett R. Cotton of Redwood City for Frank Giuliani, 11, of 708 Niantic street, Daly City.

The suit was filed by the boy's father William G. Guiliani against John J. Eberle and his partners in the Daly City Scavenger company.

Young Giuliani was struck on November 21, 1951 at the corner of Westlake and Niantic streets. The complaint charged that he was standing in a crosswalk at the time.

Motor Vehicle Officials Take Up Two Licenses; Return One, Last Week

Two local men had their driver's license suspended last week, and another had his returned, according to the state of California Department of Vehicles report.

Robert Ottoson, and Milton Sullivan, both of Colma, were the recipients of the suspensions.

A permanent reinstatement was issued to Cecil Fredrick Sempf of Daly City.

LOCAL SUBSTATION HEARING FINISHED AFTER MUCH TALK

BRUNSWICK ENGINEER EMPLOYED

An oral agreement between John A. Blume and the Daly City council has been reached for the purpose of completing the Brunswick project, City Administrator Dan Andersen revealed Wednesday.

Blume is a Stanford graduate who has his offices at 45 Second street in San Francisco. He is to meet with the council Monday night to submit tentative plans for the completion of the project.

Begun in 1951, the project has been subject to many delays caused by constant slides. A whole section of wall collapsed last December. As a result of this, the city and the Bragato Contracting Co. are co-defenders in a suit for $125,000 filed by John Dykman who claims that the cave-in took a storage house with it.

Blume replaces Robert Klassen who was relieved recently of the job.

WINDOW BREAKING PROVES COSTLY TO KELLY O. SNOWDEN

How much is the candy bar in the window?

Itinerant fruit-picker Kelly O. Snowden found out this week that they cost three months. Snowden must spend that length of time in jail for smashing the plate glass window of the Glen Five and Dime store in Daly City. He pled guilty before Judge Murray Draper of attempted burglary.

Snowden has performed window-breaking feats in Willows and Oakland, as well as Daly City.

State Will Be Asked For Funds To Secure Right-of-way

Daly City will ask the State of California for $4212 to match that sum in the city treasury to secure the right-of-way for Westlake park, the city council decided Monday night.

This request is in keeping with the state policy to aid areas which are intent on public improvements.

The total cost of the right-of-way will be $20,000, but some of the money has been used before state aid was requested, and consequently the council had to ask for the smaller sum, City Administrator Dan Andersen explained.

Pitcher Co. To Drill Well

J. N. Pitcher Co. has been awarded a contract for drilling a municipal water well.

Work will not start immediately since the site has not been chosen, nor the location of the necessary reservoir selected, according to Dan Andersen, city administrator.

S. F. Man Commits Suicide Near Colma

Ralph R. Byham, 59, shot and killed himself in his auto near Colma last Sunday.

Byham resided at 150 Onodago street in San Francisco.

In his suicide note, Byham blamed ill health for his act.

The body was found by Sheriff's deputies Henry Crossfield and Italo Ferrari when they stopped by the parked car to make a routine check.

BUDGET MEETING NEXT MONDAY IS CAUCUS SESSION

With the 1953-54 fiscal year beginning July 1, the Daly City council will go into a special caucus session Monday night to consider next year's budget.

Dan Andersen, city administrator, predicted that there would be no appreciable tax raise except that which the people voted upon themselves when approving bonds recently.

Daly City Man's Manslaughter Trial Must Be Heard Over

Judge Leonard Avilla of the superior court ruled last week that the court trial record was not complete as required by state law in the trial of George Riccomi, 23, of Daly City. This means that the local truck driver must face a Santa Clara county jury for the third time.

In the trial which just ended Riccomi was found guilty of a charge of manslaughter without gros negligance by the jury. He is charged with the responsibility for the death of Ralph Lozano, 28, of Sunnyvale who lost his life in a four-automobile collision on December 1.

The first Riccomi trial ended when a jury falied to reach a verdict.

Stolen Car Found By Hank Sundermann

Officer Hank Sundermann of the Daly City police force had an unique experience this week. He recovered a stolen San Francisco car before it was reported stolen.

Sundermann noticed the car at 1st avenue and Price street, and had it towed away. An hour and a half later the San Francisco police put out an all points bulletin for the car, which was stolen from a Mission street garage. The car was used in a San Francisco burglary, according to police.

The PG&E substation wrangle will be settled late in July, and the decision made by August, City Administrator Dan Andersen predicted after the meeting of the city council Monday evening.

At the meeting, the public hearing for the substation was ended after several citizens made bitter protest, and two PG&E officials outlined their company's position on the matter.

George Rohl Spoke First

George Rohl, local PG&E manager, was given the floor after Mayor A. J. Gaggero was informed by City Clerk B. C. Ross that there were no written petitions on the matter. Rohl said, "Since April, 1952, we have been trying to get the substation established. It is of great necessity. We urge immediate approval of the plan because at the present time my company is taking extraordinary measures to keep the area supplied with power. These measures are only temporary, and we need the substation to make them permanent."

When Rohl finished, Seth Welch of 324 Hillside boulevard arose and demanded to know what had happened to a petition he and 299 others had signed in protest against the substation. He was informed that the petition had been submitted to the San Mateo county board of supervisors, but that the city council had a photostatic copy of it, and that it was being taken into consideration.

Mrs. Ramasatti followed Welch on the floor, and accused the PG&E of making no attempt to locate the substation anywhere but near the Colma grammar school.

Warned The Council

Mrs. Mildred Mears arose to warn that the rapidly increasing school attendance would mean added danger to more pupils, and that the substation should be located elsewhere.

At this point, a Mr. Danial of the PG&E was recognized, and he stated that the company had expected to have the power station in early last November. He reiterated Rohl's declaration that the need for the power station was imperative.

Following Danials as speaker was Sanford Vickers of the city planning commission. He asked why the substation could not be located at some other site, and said

Mrs. Schermerhorn Is Still Listed Missing

Angelita O. Schermerhorn, 34, and her nine months old daughter Susan Mae, missing since June 12 at midnight, had not been located as THE RECORD went to press.

Mrs. Maria De Guzman, aunt of the missing woman, has left the home of the husband Bill Michael Schermerhorn, and taken her 16-year-old son, Raymon, with her. According to Schermerhorn, the aunt said, "I'm leaving because I don't want to get into any trouble."

An unsigned note typewritten in capital letters was shown THE RECORD reporter who obtained the pictures of the missing pair. This is not for publication, Schermerhorn said.

Another development in the case is that Mrs. Schermerhorn had "many friends" according to her husband. He stated that he named Mr. and Mrs. Gregory Kranes last week because he had managed to get that name from the missing woman's aunt.

The husband reiterated his statement that the couple had had no quarrel prior to his wife's leaving. He added that he didn't see how she could have been bored with four children to take care of and a job in San Francisco.

"At one time my wife was eager to take a trip to Oregon, and she

SCHEDULE OF MASSES IN LOCAL CATHOLIC CHURCHES SUNDAY

Our Lady of Perpetual Help church, 60 Wellington avenue, Daly City, (PLaza 5-2377). — Sunday Masses are scheduled at 6:30, 8, 9, 10:30 a.m. and 12:15. Devotions are held on Tuesday nights at 8 o'clock.

Holy Angels church, 107 San Pedro Road, Colma, (PLaza 5-0478) — Sunday Masses are scheduled at 7, 8, 9, 10, 11 a.m. and 12:15.

Perpetual Novena is held every Tuesday night at 7:30.

Sunday Schedule Is Unchanged At Grace Presbyterian

Service at the Grace Presbyterian church will be as usual Sunday.

In connection with the 11 o'clock worship, the sacrament of "The Lord's Supper" will be observed.

The pastor, Rev. William Harberts, extends an invitation to all to be present.

Ocean View Christians Will Hold Celebration

The Ocean View Christian church holds its first annual meeting this evening (Friday) at the Pilgrim Congregational church, 400 Randolph street.

A covered dish dinner will be served promptly at 7 o'clock and will be followed by the business meeting. A year book giving the high lights of the church's year, and a forecast of the future will be given to each family present. Denzil Carlisle, president of the congregation will preside.

Rev. McConnell will speak Sunday morning at ten o'clock in the Lakeside Dancing academy, 107 Sagamore, on the subject, "Foundations of Character."

Sunday school is at 9:30 o'clock.

Rev. McConnell will go to Portland, Ore., July 1 for the National Convention of Disciples of Christ to be held July 4-9.

Many of the habits of motor car owners are bad and, likewise, many of them are good, according to the National Automobile Club. One of the most definite marks of a good driver, one who realizes the importance of engine lubrication, is that of looking at the oil gauge at frequent intervals.

HOW TO CARE FOR YOUR TERRY TOWELS

"HOW CAN I KEEP MY TERRY TOWELS as soft and fluffy as the day I bought them?" asks Mrs. Homemaker. It's easy, according to The Cannon Homemaking Institute, if you follow a few simple care tips.

After washing, hang your terry towels outside to dry, or fluff dry them in an automatic household dryer. If hung outdoors (colored towels in the shade), they should be shaken before hanging, to fluff up the pile. Shake again when taking from the line, to keep the towels soft and fluffy. Hanging one-third over the line avoids distorted corners and keeps the ends even.

Terry towels should not be ironed. Ironing flattens the loops and lessens the absorbency of the towel. After taking from the line, shake and fold. If towels are sent to the laundry, instruct them to fluff dry or tumble dry. (ANS Features)

When you fret and fume over the other fellow's driving habits do you ever think about your own? Poor signals, line straddling, darting in and out of traffic, and lack of attention at the wheel, are but a few of the bad driving habits on the road today, according to the National Automobile Club. Are you guilty of one of these faults? Think it over.

A PRACTICAL SPARE

Spare gasoline tank caps, which cost less than the price of two gallons of gas are carried by practical minded motorists as a safeguard against the day when one is lost or stolen, points out the National Automobile Club. Being stolen is frequently the fate of tank caps on some popular makes of cars.

Plant Dichondra Repens For A Beautiful Lawn

To have a lawn of lasting beauty with the rich greeness of eternal spring, the lush springy touch of an imported carpet and the least amount of work believeable in connection with a good lawn, plant dichondra repons. Here is a glutton for abuse that so thrives on good care there is a temptation to plant it over the entire yard area. Happily its lush growth is mostly horizontal, so cutting is only an occasional chore.

Dichondra is partial to loose sandy soil with generous amounts of humus incorporated into the top two inch layer. For proper growth it needs ample fertilization plus generous and frequent watering. Weed control is important in the early stages of growth although dichondra will throttle out most weeds when well established.

For starting lawns, flats of field grown dichondra turf are generally available. Dividing this material into 1" pieces provides about 300-500 starts. These should be pressed into the ground on about 8" centers. Then the entire area should be moderately covered with peat moss, sawdust or well aged steer manure to conserve moisture and protect the young stalons that shoot out. Twice daily watering is recommended until the clumps take hold.

Once established a dichondra lawn is a permanent fixture for years to come. Cutting is recommended when growth becomes untidy or stringy. In shade areas the leaves will be larger and the general growth will be looser and in such an area more frequent cutting is beneficial.

D. C. Will Have First Fire Captain

might have gone up there," Schermerhorn said.

He described his wife as looking just exactly the way she does in the picture he gave THE RECORD for publication, and estimated that she was approximately 4:11 and weighs 110.

Schermerhorn disclosed that his wife has made no effort to contact him or the other three children in any way, and that the last they have heard from her was the unsigned note. He repeated the idea that his wife must have had help in leaving, since she took so many articles with her.

DRIVER EDUCATION COURSES

American colleges will offer more than 180 courses in driver education this summer, according to the California State Automobile Association. These courses are designed to show teachers how to give proper instruction in safe driving. Most of these courses will be concentrated into a single week of intensive instruction.

Local Substation Hearing Finished After Much Talk

(Continued from Page 1)

that the development of a wonderful valley would be impeded if the substation is located at its proposed site.

Hearing Is Closed

After hearing these witnesses, the council moved that the public hearing on the substation be closed. As the matter stands now, the next action on the substation will be taken July 13 when a hearing for the vacating of streets to allow construction of the project occurs. If this passes, and Mayor Gaggero predicted that it would by a 3-2 vote, the company will be given the go-ahead in August. With no unforseen obstacles placed in the path of the substation's construction after that it should be ready some time in February of next year if Rohl's estimate of six months to build is accurate.

LETTERS TO THE EDITOR

The Record welcomes any letter on any event of public, or private interest. These letters are published at no expense to the writer. There are just two requirements: the letters must be signed, and must be within the laws of libel. We hope readers will show enough interest in their city to occasionally "sound off;" for the purpose of this column is to give you, the reader, a chance to express an opinion.

St. Vincent de Paul Thank The RECORD For Publicity In Recent Appeal For Needy

Editor,
The Record
Daly City, Calif.
Dear Friend:

May I, on behalf of the Society of St. Vincent de Paul and those we are privileged to serve, express our sincere appreciation for your grand cooperation in publicizing our recent appeal for discarded materials.

The campaign was a great success and we fully realize this was made possible by your bringing to the attention of the thousands of people in the area the reasons for our appeal.

The material gathered will help in many ways—providing employment for many handicapped persons, clothing and household goods for those in need, and funds to help care for food, medical supplies, etc., to those who find themselves in need of emergency assistance.

With a very sincere "thank you" I am,

Sincerely,
Edward J. Wren
Executive Secretary

San Mateo County Heart Association Appreciates Publicity During The Year

June 22, 1953

The Editor
The Record
Daly City, Calif.
Dear Sir:

The officers of the San Mateo County Heart association wish to express their sincere appreciation to The Record for the excellent coverage of news, national, state and local, which you carried in your paper during this past year.

It is with the cooperation of the local press that citizens of the San Mateo county were kept abreast of time and progress made in the prevention and treatment of heart and blood vessel diseases.

The press can be assured of our continued cooperation in seeing all available news that would benefit the cardiac be brought to their prompt attention.

Yours very truly,
R. F. McLaughlin, M.D.,
President.

15 YEARS AGO IN THE RECORD

Friday, June 24—Mr. and Mrs. Al Brush of Los Olivos avenue are being congratulated on the arrival of a son born Thursday of last week in the French hospital in San Francisco.

Mrs. William Irwin of Hanover street entertained the members of her sewing club at luncheon, and for a day of work Thursday of this week. The guests included: Mesdames C. Waldner, D. Christopher, L. Robinson, E. Blackmer and W. Strong.

Grand Conductress Madeleine Fellows, Grace Hill, Minnie Bernardi, Agnes Prescott, and Martha Wegner, all members of Hillcrest Circle No. 143, United Ancient Order of Druids, spent the past week in Santa Rosa attending the state convention of that organization.

25 YEARS AGO IN THE RECORD

Friday, June 22 — "San Mateo coutny may soon have a force of air police, if plans considered Monday by the county supervisors at Redwood City become a reality. An ordinance prohibiting unlicensed planes and unlicensed pilots from flying in San Mateo county was urged by Frank Flynn, superintendent of Mills field."

Patricia Dugan, Lorraine Berthat Maquire, Helen Wilson and Florence Stockton entered "The Happy Bethel" of Job's Daughters.

HOW ARE SPARK PLUGS

So long as the engine keeps running, the modern motorist, unlike his predecessor, pays scant attention to the spark plugs, points out the National Automobile Club. Yet they must be absolutely right to assure good performance throughout the engine's power range. It is well to remember that plugs wear out. Having them checked over or replaced may make a great difference in car performance.

The greatest known depth of the Bering Sea is 13,422 feet.

Doing Away With Duplication

Talk of unification of school districts has been much bandied around as of recently and, on one side, we greet the prospect with enthusiasm, while, on the other, we believe it could result in a degeneration of what has been a comparatively adequate local educational system.

Our feelings toward a single unification of all school districts in the county is one of unmitigated opposition.

Such a movement would be another in the ominous trend toward Monster Government. Rather than efficiency, economy and better education, which are the benefits to be derived from such unification, the conglom of a county wide school system would breed corruption, ignorance and egghead administration almost on a par with the county government itself.

But a soundly-worked out unification on a local basis, with the Jefferson elementary and high school districts being captained from a single stronghold, could prove a distinct improvement over the present system.

Some of the more salient advantages would be:

Cut in cash outlay for administration of the two districts; conduct practically the same activities within the same realm; make possible a co-ordinated building program, educational program and plant maintenance and operation; give the single district better buying power; do away with duplication of tax rates; provide uniform educational services.

Besides providing a higher brand of education for Daly City youngsters, which is, of course, of primary importance, the unification plan would probably result in a saving to the taxpayers.

Although the county-wide plan, we believe, would be a blight on education, the local amalgamation of districts appears an intelligent approach to the ever-widening problem of educating youth and, at the same time, saving the taxpayers from complete confiscation of their means.

Daly City's Downhill Promotion

As usual, Daly City has missed a bet in promoting Daly City.

Currently two local baseball teams are entered in the county recreation league, neither of which bears a name that would give any indication the teams are from this city.

It is not the fault of the team sponsors, for they have every right to name a team that they are shelling out the cash for.

However, it seems the Chamber of Commerce wouldn't pass up a good bet like sponsoring a Daly City team.

The cost is relatively insignificant, considering the valuable publicity given the recreation league through the county press. And, at the same time, the project could be termed worthwhile solely on the basis of the recreation and competition it would provide local youth.

The fact that Daly City hasn't got a baseball team bearing its name may not be of earth-shaking consequences, but it's just another sign that Daly City is behind the times in promotional activities and nobody seems to know just what to do about it.

FIRE FIGHTERS' FACTS

Wickersham Retires

Mr. Ted Wickersham better known to his many friends as "Wick," was given a testimonial dinner by his comrades of Company No. 2 last Saturday evening at the Club Casino.

Wick will retire June 30, 1953, after 34 years faithful service to his community. He moved to Daly City in 1908 and joined Company No. 3 of the Daly City Fire department in November 1919. He served with Company No. 3 until 1942 at which time Company No. 3 was consolidated with Company 2. Wick then became a member of Company 2 and has served this company very faithfully since.

There are just two active members of old company 3 left in the fire service, they are Wick and Battalion Chief Lawrence Kennedy.

Twenty-six members of the Fire department and their wives and friends attended to pay honor to a man who gave so much of his time for their enjoyment and service.

Wick will be missed around the fire house, but each person that spoke at the dinner extended their hope that he will attend our social gatherings and keep in the swing of things.

Wick is sargeant at arms in the Veteran Firemen's association and will have a chance to see all of his old comrades at these meetings and play a few hands of cards.

The entire fire department wishes to extend to Wick their sincere hope for a long and joyious retirement.

First Fire Works Fire

The Daly City fire department responded Monday of this week to a fire caused by a Fourth of July sparkler. It seems that the children were playing in a downstairs bedroom, and one little seven-year-old fellow decided to have the jump on Fourth of July. He lit the sparkler with the air of the furnace pilot light, but the true effect of the sparkler was dimmed by the light in the basement, so it was decided to find a darker place so the true effect could be realized. The darkest place in the basement was the clothes closet filled with clothing for five children. The true effect and beauty of the sparkler was accomplished, and, even more, the clothing caught on fire, and, needless to say, the children were frightened. If it had not been for the presence of the father, who was up stairs, the entire building could have been involved by fire. When the father smelled the smoke he ran down stairs and found the closet involved by fire, and heard the coughing of the children. It was difficult to see the children because of the smoke. But he safely removed the children from the building and returned with the garden hose, which he used to extinguish the fire.

It is our hope this is the only fire caused by fire works in Daly City, but from past experience it won't be.

Remember it is unlawful to sell, give away, shoot, set off, discharge any type of fire works, this also includes sparklers.

HOW CAN I?

By Anne Ashley

Q. How should dress shields be washed?

A. They can be kept fresh and made to wear longer, by the following method: Place them flat and brush with tepid soap suds on both sides. Souse up and down in clear rinsing water to which a little ammonia has been added. Press, but do not wring. Hang over the line and allow to drip dry. Do not iron.

Q. How can I make furniture polish?

A. This can be done very easily by mixing two parts boiled linseed oil and one turpentine. This makes an excellent polish.

Q. Should fish be allowed to soak in water before frying?

A. Fresh fish may be washed off, but it should never be allowed to soak in water for any length of time, as this will destroy the flavor of the fish and cause the flesh to be of a flabby texture.

Q. How can I preserve the luster of linoleum?

A. If you use a too-stiff brush when washing your linoleum, you will soon have a surface that is entirely lusterless. The best way to preserve the shiny effect is to sponge very lightly with soap and water.

Q. How can I take the sting out of mosquito bites?

A. By adding a little household ammonia to the water with which the skin is washed.

Q. How can I remove perspiration stains from dress materials?

A. If the material will bear cold water, soak it overnight in a strong salt water solution, using just enough water to cover well. Rinse thoroughly afterward, to remove the salt.

Q. How can I make a good dish with sausage and apples?

A. Try filling the centers of apples (after coring) with sausage, and baking until the apples are tender. This is a different way of serving sausages and makes quite a delicious dish.

Q. How can I remove rust from knife blades if the rust has been allowed to remain for a long time?

A. By sticking the blades upright into an onion and leaving them for sometime. The blades will then clean with an ordinary scouring.

MY MAD WORLD

by Leonore Brewer

The joylessness of the existence of modern man has been a rich topic for columnists for many a long year. Periodically, heads are shaken over his ability to accumulate more and more of what is merely making him less and less happy.

And no wonder. Today's house hardly has room for him, far less his soul. Year by year the spacious home of the past has been whittled down by fanatics whose battle cry is "waste space." One of the first victims of this mania for elimination was the attic.

He who has never lived in a house with an attic has never lived. Attics were for the soul. There is could retire to dusty solitude, to pick over the things it had abandoned, on its journey. There it could suspend its skeletons upon convenient hooks, where they hung, mellowing in dusty seclusion. In our degenerate times, such skeletons are crammed untidily into the bottom bureau drawer, or are hung in what is laughingly referred to as the "guest" closet. Crowded and uncomfortable, they become mildewed and are inclined to fall out at inauspicious moments.

I am one who has lived to see what was a most horrendous skeleton become respectable. And high time it was, too, since it had attained such stature that the closet door could no longer be shut. Science fiction has achieved respectability! Gone are the days when the addict carried his magazine home under his coat, and when it dwelt in stygian darkness at the bottom of a drawer. The best of it is now between hard covers and sits side by side with Faulkner and Hemingway. It has even progressed to the point where some of it is obscure to the reader holding anything less than a Ph.D in nuclear physics.

So, my erstwhile skeleton now sits in the living room, clothed in the cloak of respectability which was given to it in one awful moment on August 6, 1945. As it reads the newspapers over my shoulder, it is not entirely happy. Occasionally it casts a wistful glance at the closet, wherein is darkness and peace, but, alas, no room. It's been a long road from BEM's (bug eyed monsters) to Van Vogt, thence (via Hollywood) back to BEM's. But of that, more anon.

Library News

By Lorraine DeFanti

One of the big library news items this month is the American Library association conference which is being held this week at Los Angeles. The theme selected for the 72nd annual ALA conference is "America Looks West." Some of the prominent speakers scheduled to address the conference are Erle Stanlel Gardner, Jay Monaghan, William Ready, and Chet Huntley. It is estimated that three to four thousand people are expected to attend the conference.

While reading a recent issue of the ALA monthly bulletin, I came across this quotation from the pen of A. Edward Newton. It seemed to me to state very well the wealth of pleasure and enjoyment which is to be found in books: "God forbid that I should say a word against a public library, but nothing will take the place of a rack or a shelf full of books by one's own chair, close to a well-adjusted light, whether it be a lamp or a window. Everybne's shelf will contain different books, and the books which give joy to youth may not delight age, but the pleasure of reading continues. The habit, firmly established, enables one to endure, if need be, misfortune and even disgrace. I see today greater anxiety written on the faces of my millionaire friends than I do on the faces of poor men who resort day after day to our public libraries, there to solace themselves with a book. In an established love of reading there is a policy of insurance guaranteeing certain happiness till death."

Memorial Book

The book, "Born of These Years," by Perry Burgess was presented to the Daly City public library in memory of Marcie I. Trier, deceased former city librarian. Mrs. Erma Magnuson, president, and Mrs. Kathleen Matzek, community service chairman, made the presentation. "Born of These Years" is the inspirational adventure story of one man's heroic and rewarding crusade against leprosy, and of a lifetime devoted to helping others help themselves. This volume represents the start of a memorial collection for deceased members of the American Legion, Post 410. Thanks to all legion members of the local post for the fine contribution to the library, as well as for the beautiful idea of perpetuating the memory of a beloved member of our community.

HOUSEWIVES ARE OFFERED TIME & MOTION COURSE

The San Mateo county Heart association is conducting classes in "Work Simplification in Home Management" using "time and motion methods." A graduate home economist is teaching peninsula home makers how to cut their household duties 25 to 50 per cent by doing the job the easy and efficient way.

Classes are held in the San Mateo City hall in the council chambers every Tuesday morning from 10:30 to 11:30 a.m. The instruction is free.

"LITTERBUG"

"Litterbug" is the term now being applied to motorists who leave trash at picnic spots, dispose of cans or waste by tossing it along the side of the road, and otherwise deface the countryside. The California State Automobile Association is urging motorists to carry a paper bag in the car for accumulated trash. Then it can be disposed of properly during or at the end of the trip, instead of being littered along the roadsides.

AIRMEN INSPECT FLYING EQUIPMENT

FAR EAST AIR LOGISTIC FORCE—Six U. S. Air Force airmen, newly arrived at the Far East Air Logistic Force's personel processing unit, from where they will be reassigned to duty stations in Japan or Korea as air crewmen, inspect their new issue of flying equipment. The issuance of additional clothing and equipment to men on flying status is now carried out by the processing squadron, to eliminate the cost of shipping the equipment to unit supply rooms throughout Japan and Korea, and to conserve manpower. The airmen (left to right) are, A/1c Raymond H. Tschirgi, 22 Paul street, Daly City, Calif.; A/2c Gelbert J. Marshall, 3853 "I" street, Philadelphia, Pa.; A/1c William G. Newton, 313 Summit avenue, Flagstaff, Ariz.; A/2c Robert O. Bullard Jr., 402 East 3rd street, Cle Elum, Wash.; A/1c Charles Nieswender, 709 O'Brien street, Monroe, Mich., and A/1c Joseph H. Rowe, of MacClenny, Fla.

Air Force Promotion For Daly City Man

KANSAS CITY, Kans.—Promotion of Airman Third Class Basil T. Beeson, Daly City, Calif., to the grade of airman second class in the U. S. Air Force, with date of rank of June 1, has been announced at the 4610th Air Base Squadron at Fairfax Municipal airport here.

Son of Mrs. Lottie Beeson, 127 Los Banos avenue, A/2c Beeson

attended Jefferson Union high school and was employed by Pacific Greyhound lines prior to entering military service in February, 1952.

He was transferred to Fairfax last September and is a clerk in the adjutant's section of the 4610th Air Base Squadron, a service unit for the Central Air Defense Force headquarters located in Kansas City, Missouri.

Who Owns The Fence?

Who owns the fence?

Should the rough side of the board face your house or mine?

If this age-old dispute arises between you and your neighbor, don't take it to the city hall.

Police Sergeant Bolger will refuse to get involved in such an argument, and escort you down the hall to the building inspector's office. Building Inspector Hopman will not be a party to the disagreement either. He'll suggest that you take your troubles to court.

After you leave, both men will shake their heads and wonder why you can't build the fence together and both be happy.

MONTH IN JAIL, PROBATION AND FINE FOR BOOKIE

David Rivera, 45, of 50 Deta street, Daly City, was placed on probation for two years, sentenced to serve one month in the San Francisco county jail, fined $1000, and given an 11-month suspended sentence when convicted of a bookmaking charge before San Francisco's Superior Court Judge Twain Michelsen.

Rivera's brother, Raymond, of 1715 East 23rd street, Oakland, was convicted with him.

Charges stemmed from an arrest last September at 1505 Market street where the men were taking in approximately $350 daily in bets.

Civil Service Jobs Are Listed At City Hall; Apply Now

Several lucrative Civil Service situations for the county of San Mateo are posted on the bulletin board just outside the main entrance to the City Hall.

Salaries range from $213 for hospital attendants to $811 for a member of the medical profession with special training.

Residence requirements, and necessary backgrounds are explained on the lists and the closing dates for applications are recorded.

Included are several laborers' jobs at union scale.

Caputa Pleads Guilty; Coccellato Innocent

Alfred N. Caputa charged with bookmaking after his arrest June 15 pleaded guilty, while his companion John Coccellato pleaded innocent, to a charge of allowing bookmaking to take place on his premises at 135 Valley street, when brought before Judge Thomas L. Bocci in South San Francisco last Tuesday.

Caputa must face superior court for sentencing.

Coccellato must appear for his preliminary hearing July 9.

Both men are at liberty on $1000 bail.

News From The Parks

Edgewood Playground

....Kickball proves to be an ever popular game with the children. Both boys and girls enjoy this activity. Jimmy Reeder, Tommy Enberg and Ronnie Sears are regular participants.

The smaller children like to color. They sometimes spend hours working on one picture and they are rewarded by having their creation hung on the wall.

Reading comic books is a favorite pastime of the children who prefer more quiet activities.

Westlake Playground

Recreation facilities were open to the general playing public this week at Westlake playground.

Tetherball, by week's end the favorite game, was enjoyed by Diane Richter, Ronald Nagey, Henry Shain, Sandra Enloe, Bruce Wilson, Pat Eliopolos, Larry Seegal, Allan and Hank Huffmacker, David Bosberry and George Cosmos.

Playing basketball were Eric Rossovich, Kenny Shoenville, Richard Mollison, Garry Gross, Richard Gates, and Jimmy Pistolesi.

Others active in baseball apparatus and craft activities were Irene and Kathleen Ailes, Kathleen and Sandra Sarubbi, Joyce Treganza, Ricky Katz, Van Bianchi, David Dunbar and Georgie Ellis.

Aetna vs. Lions

Sterling Parks Aetna Roofers, recent conquerors of the Gas-U-Mat nine, went down to defeat before the heavy hitting Lincoln 10-4 in the second game of the newly organized Adult Softball League.

The Lincoln team, a group of former Jefferson high ball players sponsored by the local Lions club, displayed too much speed afoot and power at the plate for the previously undefeated Roofers.

Collecting three runs on three hits in the second inning and 7 runs on three hits in the third, the Lions built up an overwhelming nine-run lead.

The Aetna team made its bid for victory in the fourth when singles by Van Winkle and Fitzgerald along with Zimmers' long double accounted for three runs.

Pitcher "Pop" Blanchard of the Lions turned on the heat after this outburst and blanked the Roofers for the remainder of the game, giving up only three hits.

Hitting stars for the Lions were Galente, Lorenzo and Wilson. Wilson's double in the third inning was the big blow of the ball game.

Aetna vs. Gas-U-Mat

The hard-hitting Aetna Roofers blasted the strong Gas-U-Mat club 7-4 in the Daly City Softball League's opening game at the Marchbanks diamond.

The losers jumped into a 3 run lead as early as the first inning when poor control plagued pitcher E. Buckley of the Aetna nine.

The Roofers were quick to retaliate, however, as they drove home four runs on the hitting of Wathan, Van Winkle, Lee and Stone. Doubles by Van Winkle and Stone were the big blows of the inning.

From the third ininng on, the Roofers were never in serious trouble as th cyeontinued to find the pitching of V. Drago to their liking.

Another long double by Van Winkle who garnered 3 for 4 spelled certain defeat for the Gas-U-Mat team as he chased home two insurance runs in the sixth.

More than 200 youngsters gathered at Thornton beach Wednesday for a festive afternoon of games and picnicking. Recreation department supervisors on hand were James Mason, director, Ed Mosconi, Pat Nagle, George Schauda, Rich Watso Lorraine Cady and Leslie Linhares.

Eighth Graders Give $30 As Contribution In Aid To Korea Drive

The first contribution to the Aid to Korea Drive in San Mateo county was reported today by County Superintendent of Schools James R. Tormey, chairman of the committee. Even before the actual county committee completed its organization, the eighth grade students at Borel school in San Mateo contributed the balance of their year's student fund of 30 dollars to the Aid to Korea program. According to the eighth grade instructor, Miss Dorothy Ogden, the contribution resulted from the pupil's own initiative.

Tormey reported that inasmuch as no local mailing address for the Aid to Korea program had yet been secured, Principal John Hiler of the Borel school had forwarded the students' contribution to the county superintendent's office.

Sarto's Victorious; Santa Clara Held To Two Hits, No Runs

Sarto pitchers Creighton and Ginicchine collaborated to shut out the Santa Clara team with two hits as the locals won an 8-0 victory last Sunday at Marchbanks field.

Longest blow of the game was a 370 foot triple by Manager Harry Krohn.

Romero of the locals got three for four to lead the attack.

Outstanding defensive play of the game was a fast relay from Sarto in right field to shortstop Welp to Krohn to catcher which cut down a Santa Clara try to spoil the shutout.

SOMETHING TO SQUAWK ABOUT

BUDGET TIME AND MONEY

Vacation enjoyment will be enhanced for motorists who budget both their time and their money, says the California State Automobile Association. Trying to cover too much ground and failure to allow enough for expenses can both be embarassing. Average daily driving for ordinary vacationers should not exceed 300 miles. Average expenditure for two persons this year will be approximately $30 a day, the CSAA estimates.

DALY CITY PLAYERS who perform for the Westlake Rockets, local entry in the Junior Peninsula Baseball league: (back row) Ed Mosconi, coach, Jack Lewokowitz, Jack Bautista, Allen Long, Anthony Stagnaro, Lou Arigghi, Leroy Franzoia, Bill Massoni, Myron Kay, Gus Sakaldassis, James Mason, coach. Front Row: Duncan Scaife, Dan Rasmussen, Andy Ruelas, Paul Tapia, Eddie Leveroni, Al Leveroni.

RALPH'S CLEANERS WIN -- WESTLAKERS LOSE IN FIRST LEAGUE GAMES

Daly City representatives in the Peninsula Baseball league won one and lost one during the first week of play.

Victorious in the Senior division was Ralph's Cleaners who edged out the Millbrae Merchants 4-3 on the Jefferson high diamond. Honeywell pitched a two-hitter while striking out six. Figone and Blanchard shared hitting honors for the Cleaners, each getting two.

The hustling Westlake Rockets, junior division representative, ran into some of the best pitching in the Peninsula Recreation league last Saturday when they faced Angelo Colombo of the South City Windbreakers. Colombo allowed just one hit and fanned 13 while defeating the locals 9-4.

Errors in the early innings gave the Windbreakers a 7-0 lead, and they were never headed although Westlake threatened, scoring 4 runs in the fifth. That inning Paul Tapia doubled to get the Rockets only hit.

The Rockets had first game jitters as the game opened, but settled down in later innings. Walks and errors cost them the game.

Westlake plays Sharp Park at Sharp Park this Saturday, and they return home to play their first game at the Jefferson high field next week. Starting time of the games is 10:30 in the forenoon.

Ralph's Cleaners will host the San Mateo Bohannon Yanks this Sunday afternoon at 2:30 o'clock on the Jefferson diamond.

Last Week's Summary Of Basketball Play

Last week's Recreation league basketball scores were omitted inadvertantly. Here is a summary:

Wally Honeywell's 23 points led the Sartos A's to a 59-25 victory over the Marchbank team. Dan Bertilli's 12 points was high for the losers.

Marchbank B's, with Anthony high with 8 points defeated the Sarto B's 29-17.

Twenty-four points by Don Delbon helped the Edgewood Flyers nose out the Sartos A's 38-36.

A scoring battle between George Bocchi of the Sarto Bs and Roy Villemainrey, Edgewood B's, ended with both boys tied with 12 each as the Flyers B squad dropped the Sarto team 34-17.

ANNOUNCEMENT

The Recreation Department announces that Wednesday evenings, 7:30-9:30 at the Community Center have been set aside for adult activities.

The Community Center offers Badminton, Volleyball, Basketball and Ping Pong to all adults who wish to attend.

Vince & Fred's Fourth, Westlake Lounge 8th In Bowling At Brentwood

Standings of the Brentwood Bowl cocktail league were released Wednesday, and the two Daly City teams are occupying fourth and eighth spots respectively.

Vince and Fred's are in fourth place with a 14 won, 10 loss record while the Westlake Lounge has a 13-11 total.

Local Republicans Are Generous; High In Fund Campaign

For the first time since the Republican party has solicited funds in San Mateo county, the northern section of the county is leading in obtaining their quota, Claus Spreckels, general campaign chairman, announced early this week.

At present, the drive is at the half-way mark, and Daly City, Colma, and South San Francisco comprise the first supervisorial district which is leading.

Village Notes

By
By Mrs. Edith Warmoth
PL. 5-8026

We have had such beautiful weather the last few days that it has been hard to find people in long enough to get news. However, there were a few items of interest.

Midway

It was goodby last week to Mr. and Mrs. Bob Jacobs and son, Harry, who moved to Los Angeles.

Sweetwood

Janice Long celebrated a fifth birthday Saturday, June 20. At a party given in her honor were the following of her friends: Carolyn Monks, Maryann McKinley, Kathy Conn, Barbara Johns, Mary Meany, Gerry Gardner and Jimmy Gannon. Her sisters, Linda and Margie and brother Tommy were on hand to participate in the festivities.

Mrs. Irene Chessman has returned home after a few days stay at the U. S. Hospital after a check-up. We hope that the results will be promising.

Louvaine Drive

Mr. and Mrs. Tom Gantert and children, Marybeth, Kathy, Ricky, Barbara and Stefanie have returned home after a month's trip to Minnesota where they visited their families.

The L. Pritchards entertained Mrs. Pritchard's sister, Mrs. Hazel Luck and nephew Michael Webb last week. Young Michael was graduated from grammar school and the trip from Portland to California was his graduation present.

87th Street

Congratulations to Dr. and Mrs. Bernard Thompson who welcomed a girl June 6. She will be called Andrea and weighed 7 lbs., 14 ozs.

Garden Village

Comdr. B. W. Davis dropped by last week to visit his former neighbors. He was a dinner guest of the Ramon Gomezes. He has been in Hawaii for the past two years and is en route to San Pedro for a new assignment. Mrs. Davis and daughter, Marilyn, will join him in July.

Village Lane

It was happy birthday to Cary Gladieux on Friday, June 19. A party was given him by his grandparents and he received a racer bike which has made him the envy of the neighborhood.

Patrick Henry was five years old last week and celebrated his birthday at a party at his grandparents home in San Francisco.

Garden Lane

James Fairbanks has returned from a 3-week business trip which took him to Denver, Chicago and Toledo. After experiencing some very hot weather he was very happy to be back in our air-conditioned weather.

Mr. and Mrs. J. P. Lake and two children, Christine and Julie Ann, were visiting the J. Fairbanks for three days last week. They were former neighbors in North Hollywood.

Larchmont

It's a baby girl for the William Cullens. She arrived June 12.

Legion Auxiliary

The Last "Come As You Are" breakfast was held by the American Legion Auxiliary at the home of Rita Peterson on 87th street.

Dinner

We wish to report that the public dinner given last Thursday, June 18, at the Broadmoor Community church was a great success and over 200 people were served. The Womens association wishes to thank all those who helped make this possible.

CHILDREN AT PLAY

Drive slowly when in the vicinity of schools and playgrounds, advises the National Automobile Club. Children at play depend upon the motorists to protect them from injury. If you will drive slowly and keep alert, you can help keep them safe.

Bethel 198, International Order of Jobs Daughters, Daly City, closed their Spring term Friday night, June 19th with the Installation of officers for the fall term which starts in September.

The beautiful "Book of Gold" ceremony was used with the incoming officers carrying small gold books topped with lily of the valley. Mary Ada Sea, retiring honored queen, was the installing officer for the impressive ceremony which was witnessed by a hall crowded with members and friends.

The gold crown and long purple velvet robe, emblematic of the honored queen's high station were put on Joann Stocks, who will be in that station for the new term. Other officers installed were: senior princess, Patricia Michelsen; junior princess, Elaine Ball; guide, Jo Ann Kahn; marshal, LaVerne Gardner; senior custodian, Doreen Bresnan; junior custodian, Margaret Kimble; outer guard, Sandra Briggs; inner guard, Marilyn Webb; Recorder, Christine Nissen; treasurer, Lenita Johnson; chaplain, Phyllis Blackburn; Musician, Beverly Suenderman; librarian, Peggy Sorensen; first messenger, Gwendolyn Harris; second messenger, Carolyn Meritt; third messenger, Charline Van Vleet; fourth messenger, Diane Davis; fifth messenger, Jean Votaw.

Members of the choir are Dianne Jean Brown, Beth Brownlee, Darlene Feccia, Nancy Golladay, Rose Marie Lyon, Yvonne Martinez, Clo Ann Mowitt, Barbara Roller, Sharon Rose, Mary Ada Sea, Cherryl Taylor, Roberta Taylor, Annette Turman, and Sandra Vozzo.

Following the installation ceremonies dancing and refreshments were enjoyed by all until midnight. Thursday closed the Spring 1953 term for Bethel 198.

Woman's American Ort Will Install Officials In South San Francisco

The Northern Peninsula chapter, Women's American Ort, will hold it's installation of officers at a schmorgasbord luncheon at the home of Mrs. Kurt Goldstrom, 64 Capay Circle, in So. San Francisco, June 27, at 1 p.m. Mrs. Norton Langley is the coming year's president, and other officers to be installed are:

1st vice president, Mrs. Joseph Klebanoff; 2nd vice president, Mrs. Morris Riback; treasurer, Mrs. Max Oberlander; financial secretary, Mrs. Harold Skootsky; recording secretary, Mrs. Michael Segal; corresponding secretary, Mrs. Kurt Goldstrom.

Guests are Mrs. Albert Feldhym of Menlo Park, who will give the invocation, and Mrs. Felix Vogel, Peninsula Region's new president, who will act as installing officer.

ALPINE COUNTY TROUT

Several thousand trout have been planted during the past week in the East Carson and West Carson in the Alpine county area, reports the National Automobile Club. Fishing is generally fair to good.

Council Presents First Aid Certificates

Daly City Councilmen Ed Dennis and Joe Verducci presented first aid certificates to nine women pupils of Ada Gurney last Thursday at the Peoria street firehouse. (Back row, left to right) Dennis, Verducci, Miss Anderson, Catherine Ricci, Evelyn Vers, and Bernice Hockaday. (Center row, l. to r.) Ada Gurney, Dorothy Carr, Eleanor Vinal, Audrey Sallade, and Dorothy Strebel. (Front row, l. to r.) Margaret Anderson, and Marie Rentach.

DALY CITY VETS TO GET CHARTER SATURDAY IN MARINE CORPS LEAGUE

Daly City's Iwo Jima detachment will receive its official charter from the Marine Corps league tomorrow (Saturday) evening at 8 o'clock in the War Memorial building.

After the 32 charter members are accepted into the league by State Commandant Allen Henderson, installation of local ofifcers will take place.

Scheduled to be installed are: David Hansen, commandant; Raymond Florence, senior vice-commandant; Richard Brohmer, junior vice-commandant; Phillip McLeod, chaplain; Vance Craft, judge advocate; Ray Doyle, captain of the guard; Raymond Bischoff, sergeant of the guard; Ed Keaton, adjutant; Harry Hatt, paymaster; Joseph Intaschi, Bud Miller, and Frank Mencich, trustee.

Refreshments will be served at the installation, and the public is invited. The members of the Iwo Jima detachment are particularly anxious to contact any Marine veterans in the area who might be interested in joining their organization.

Misbe-Haveners Will Dance At Community Center Tonight (Friday)

Members and guests of the Misbe-Haven Teen-Age club will dance tonight (Friday) at the Community Center at Mission and Alp streets beginning at 8 o'clock and continuing until 11.

The dance will be under the supervision of the Recreation department with Directors Ed Mosconi, Dick Milkovich, and Leslie Linhares scheduled to be present.

Admission to the dance will be fifteen cents for stags, and couples will be admitted for a quarter.

Mabel C. Ross Says No Dance In July

The "Circle Eighters" will not hold their July Square Dance party, according to Mabel C. Ross, secretary of the organization.

EAGLES SET AUG. 23 AS PICNiC DATE

Aerie No. 1848 of the Fraternal order of Eagles will hold its 1953 picnic on August 23 at Roger Reynolds Nursery park two miles south of Redwood City on the El Camino Real at last week's meeting.

NEW LOWER AUTOMOBILE INSURANCE RATES FOR PREFERRED MOTORISTS

San Francisco and Daly City as low as $59.00 for $5/10,000 P.I. & $5000.00 P.D. Plus 10% return dividend when policy expires. Rates outside S. F. & Daly City even lower.

Can you save on automobile liability insurance? Test yourself against the situations listed below. If you believe you qualify as these people have, and if you have a good driving record, you owe it to yourself to investigate the savings possible under our plan. This new rate schedule is offered to preferred California automobile owners through American Motorists Insurance Company, Chicago, a member of the Kemper Insurance group.

Do You Qualify?

Mr. R. R. D.—Businessman. Uses car for pleasure and driving to and from office. He and his wife are only drivers.

Mr. E. F. H.—City automobile owner who uses his car for pleasure, driving considerably less than average annual mileage. He and his wife, aged 35 and 30 respectively, are the only drivers of the car.

There is ample evidence that certain types of automobile owners have fewer or less-costly accidents than others. These findings are reflected in the new rates we are offering.

Through us you receive a standard automobile liability insurance contract **plus** nationwide and local service.

You get nationwide claim service through 92 branch claim offices and hundreds of claim representatives throughout the United States and Canada. You get our personal service as your local agent.

When you want insurance advice of any kind, we are nearby to give you the best of service.

Substantial savings also possible on Collision and Comprehensive Coverage at 20% current dividend.

YOUR NEIGHBORS AND MINE

By Betty Brush

Father's Day was also the longest day of the year, and we certainly had no complaints about the weather as it was and still is (as of this writing) most beautiful. One week of vacation has passed and already mothers are hearing the old familiar phrase, "What is there to do?" It seems there is plenty to do but they just don't want to do it. The best idea would be if we all had a ten-acre ranch someplace where we could turn them lose for the summer and just let them roam. What a dream!

Birthdays

A happy birthday is wished this week to MRS. PATRICIA ARNADO who will celebrate the day with a family gathering on June 26th. All the best wishes from all the neighbors is extended to Pat.

MRS. EMMA D'ISEP is another of the neighbors who has a birthday this week. There will be a family get-together to help celebrate. Happy birthday, Emma, from your neighbors and mine.

More birthdays to be celebrated, among which is MRS. JULIA JORDAN. Julia is one of the members of the "Friendly Twleve" who have so much fun together. Of course she now lives in Fairfield but that doesn't stop her from coming over to see all the old friends in Daly City. Happy birthday, Emma, from all the neighbors of "our town."

MARY LOU EVANS celebrated her 12th birthday on June 9th and had a grand time opening presents at a family gathering in her honor. The best present is yet to come—a trip to the Ice Follies. Happy birthday, Mary Lou, from all the neighbors.

Thought For The Week

According to Webster, "TOLERANCE" is endurance, bearing, sharing or putting up with. Among the many ills of the world—and there are many—is lack of tolerance, which ranks among the first. Why must this be so? First of all we are each individual human beings with the God-given rights of thought and action, governed of course by all with whom we either live or come in contact. Each of us has not only our own ills, worrie, trials, joys, and happiness to bear but there are many of us who think enough of the rest of us to share theirs with them. This makes a double load of endurance. If each and every one of us would recognize the fact that the other fellow has his share of the load to bear as well as we do—life would be ever so much smoother. How do we expect to find peace in the world when there is so little in our own lives? To be tolerant is not only to endure, bear, and put up with as Webster says, but to grant each person the right to think and do as he himself figures is the best for himself under the circumstances. There are some of us who use the phrase "I can't tolerate so and so." Do they ever think that the saying could at one time or another fit themselves? Live and let live. Live and love and be just in our judgments, if we must judge. That way we may all live together, not as we think others should maybe live, possibly to our standards, because maybe ours are not for them; but each to his own standard with the respect due him for what he is and not what he should be in his neighbor's eyes. Is this a thought, neighbors.

New and Views

The Friendly Twelve met at the home of MRS. ANN EASON for their regular meeting last week. They held election of officers for their new term which runs six months. MRS. FRANCES HUSLER, outgoing president, was presented with a gift by the group. I am waiting to hear just what the gift was, as one never knows just what these gals will pull off next.

Attending a picnic held at the Shangri-La picnic ground near Los Gatos last week were MR. and MRS. EVE HOBBS, MR. WILFORD MILLER and family, MR. and MRS. HAROLD BRIGHTHOFF, and JOE and VEVA VERA. This was the anunal German Picnic and from all reports one and all had a very good time.

HILLCREST CIRCLE No. 143, U.A.O.D., held their monthly whist party at the Masonic hall last Monday night. As is usual the prizes were good, the crowd was big and all who attended had their usual enjoyable evening. These whists will be carried on during the summer months, so neighbors, anytime you feel like a good game, just take a trip to the Masonic Hall on the fourth Monday of each month.

Another bag was packed this week. MRS. MAY BAKER of Vista Grande avenue, packed hers and took off for Petaluma to surprise her son, FRANK, on his birthday. While there she hopes to see the release of the movie that her boys were in when she was there the last time.

Summer outings do bring their ill effects at times. LINDA CARGAIN, grand daughter of GRACE HILL, has been suffering quite badly with one of the worst cases of poison oak on record. All my sympathies as well as those of the neighbors are with her. There are enough of us that have had this affliction to know just how badly it can make one feel.

Servicemen,

GEORGE T. EVANS, Dentalman on the Gen. Randall, has landed in Japan and will probably be heard from again soon. This time he will have time to tell all the neighbors about his trip. He will spend his 20th birthday while on the way back to the U.S. and expects to get here around July 7th. Of course there will be the usual family birthday dinner complete with cake awaiting him on his arrival.

PVT. LARRY MOY has followed the long line of home town boys and left for Korea. He said he would write me so when I hear from him I'll pass the news on to you. How about those letters, cards, etc., that you intended to send. You know each and every one of us is planing a vacation somewhere at sometime this summer. There is no vacation in Korea.

The HENSLEYS (Mary Simmons) are on their way to Illinois where T. SGT. HENSLEY has been stationed at Scott Field. It will be some time before they get back and when they do there will be three of them to welcome home.

Here is a suggestion from one of the boys in the service. When you receive letters from your boys, pass some of the news on to me or have them drop me a line as there are many who keep up with the comings and goings of their friends through their weekly copy of THE RECORD. Fact is, one boy found out this way that another boy from the old home town was stationed at the same base that he was. They really enjoy hearing about each other and some have even taken to writing back and forth to compare notes, bases, and just to hear from someone they know. How's about it, neighbors.

An Appeal

This is an appeal that shouldn't even have to be made. The only reason it is being made is to acquaint the neighbors with the situation so that they can take care of it. There is a Ward in the Vet's Hospital that is allowed no visitors, no bingo games, no outside interest of any kind. Just sit or lie there and wait day by day until the time comes that a member of the family, if allowed, can visit them. This is the Phsyco Ward. As the neighbors know, there are a wonderful group of women who have taken it upon themselves the job of once a month visiting the boys in the regular wards. Now they want to do something for the fellows who cannot have visitors. Neighbors, it is not only fellows but also girls in these wards, too. They could be "your children and mine." If one just either knew someone who is there or see these wards once, there would be no need for this article. Here is their plan—bags and stockings filled for the boys for Christmas. Of course this means help in the form of either donations or of useful articles. Maybe you think that I am making this appeal rather early. Do you know or realize just how much time and work is connected with a project of this kind? This will not be the last article on this subject! In the meantime, anyone interested in donating either a gift or money towards this, can do so by calling MRS. LYNNE BOSKEY at PL. 5-0902 or PL. 5-4154 in the evenings. Send a gift in the name of a boy who came home safely—send a gift in the name of one who didn't come home—but send a gift.

Items of Interest

MESDAMES MADELINE FELLOWS, GRACE HILL and WINNIE EVANS attended a reception held at the Anderson Hotel in San Luis Obispo in the honor of the new Grand Arch Druidess and the Grand Chief Knight of the State of California. From all reports, a good time was had by all.

The bowling team sponsored by LYNNE BOSKEY has been doing right well for themselves besides having lots of fun. They have won 11 and lost 13 of their games. Seems from what I hear that bowling is good for the figure. Guess I had better take it up.

At their last regular meeting four new members were initiated and welcomed into Hillcrest Circle No. 143, U.A.O.D. Here's congratulations and best wishes to MESDAMES EDNA MULLEN, BETTY KOLHBRUNNER, IDA BLACKBURN and KATHERINE MULLEN.

MISS JUDY MARKGRAF really has had it. Last week it was an infected throat and now it is the mumps. The worst part of the whole thing is that it is in vacation time too. No youngster would mind being sick on school time—but in vacation—that is just too much. Let's hope this is the last for Judy for a long time.

Well, neighbors, this has been quite a week for yours truly and the news has piled up in the way that I like to see it. Would like to hear more about the boys though, so don't forget to phone me at the same old phone, PLaza 5-6482, and I'll be glad to take any and all news that you might happen to have. Hope you found something of interest to your neighbors and mine in the column this week and I'll see you next week. Bye now.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the Board of Trustees of the JEFFERSON UNION HIGH SCHOOL DISTRICT of Daly City, California, will receive bids for the furnishing of all labor, materials, transportation and services necessary for the painting of certain school rooms upon the school property at 6996 Mission Street, Daly City, California, in accordance with the specifications therefor on file in the office of the Superintendent of said District at the above address.

Each bid must be accompanied by a certified check or bidder's bond for not less than ten per cent (10%) of the amount bid, made payable to the Jefferson Union High School District, which shall be given as a guarantee that if awarded the contract, the bidder will enter into a contract satisfactory to said Board of Trustees, a copy of which contract is on file with the specifications, and shall be deemed liquidated damages for, and be surrendered to said Board, upon failure or refusal to do so upon request of said Board.

The successful bidder shall furnish a labor and material bond in an amount not less than fifty per cent (50%) of the contract price, and a faithful performance bond in an amount equal to one hundred per cent (100%) of the contract price.

Pursuant to Section 1773 of the Labor Code of the State of California, the said Board has ascertained the general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of workman or mechanic needed to execute the contract as follows:

CLASS OF WORK.....PAINTERS
HOURS PER DIEM.....7 Hours
WAGE PER HOUR.....$2.70
WAGE PER DIEM.....$18.90

All other trades not hereinabove mentioned to receive the prevailing wages prescribed for that particular craft or type of workman.

All labor to receive double time for overtime and holidays, unless otherwise specified by union scale. Eight hours shall constitute a day's work unless otherwise specified. The per diem rate shall be the hourly rate multiplied by the number of working day hours herein indicated.

The Board reserves the right to reject any and all bids and/or waive any informality in any bid received.

Bids must be sealed and filed with the Superintendent of the District at the school address set forth above on or before 7:30 o'clock P.M of the 13th day of July, 1953, at which time and place said bids will be opened in public.

Timely Tips

There's nothing like a bit of over-the-fence chatter to learn quick tricks for making housekeeping easier. Here are a few that just came our way:

Line your kitchen drawers with plastic fabric. Keeping them clean will be simpler.

Save the paraffin-coated containers from cottage cheese, etc. They come in handy to tote food for family picnics; then throw them away to lessen the load coming home.

Gaily colored foam rubber blocks make wonderful play toys for tots, and they're equally at home in the play pen and bathtub. Should a tossing tantrum come on, no bruises or damage will result—they're safe!

A little baking soda applied with a damp cloth to the bottom of a cool iron will remove starch that has stuck.

Don't remove the heat discoloration from tin cooking pans. Blackened tin heats quicker than shiny tin.

SALMON FISHING GOOD

Salmon fishing has been good off Santa Cruz county during the past few days, reports the National Automobile Club. Most party boats have been bringing in large catches.

FEATHER RIVER FISHING

Striped bass fishing has been good during the past week along the Feather river in the Sutter county area, reports the National Automobile Club.

DALY CITY WAS NEVER LIKE THIS; HELP THEM OUT

KOREAN WAIFS shown above are among the thousands of homeless, sick and invalid children in that country without aid. A local drive for funds is currently being conducted, under chairmanship of Peter J. Markovich. No door to door soliciting will be undertaken in the drive, with all contributions to be sent to the superintendent of schools, Redwood City. No local quota has been established, Markovich announced, but the state goal has been set at $500,000. Among those to be helped with funds are 280,000 tubercular cases, 20,000 lepors, 10,000 displaced persons, 100,000 homeless children, 300,000 widows and 20,000 amputees. The drive closes here July 5.

CONGRESSMAN YOUNGER REPORTS ON ACTIVITIES IN WASHINGTON, D.C.

By J. Arthur Younger
Congressman

The Second Independent Offices Appropriation bill was the largest one so far enacted by the House during the 83rd Congress. This bill provided appropriations for the Atomic Energy commission, the Selective Service system, the Tennessee Valley authority and the Veterans administration. The total amount appropriated was $5,-284,369,664. This was $3,357,754,-796 less than the appropriations for 1953 and $1,171,389,000 less than the 1954 budget estimates. The largest item of course was for the Veterans administration, which amount was $4,008,335,264. The remarkable thing about the passage of this bill was that it was enacted without any changes so far as appropriations were concerned from those recommended by the Appropriations sub-committee. The appropriation for the Veterans administration has always been one of the controversial bills, but in this case there was little or no controversy over the amount of money recommended for the various items. These questions had already been thrashed out by the sub-committee, with the heads of the various veterans organizations. There were a few changes made in the bill of a legislative character but none affecting the money values.

Congressman Phillips of California, who is Chairman of the Appropriations sub-committee, did a magnificent job on the handling of this particular appropriation bill.

For the first time since I have been in Congress, I saw the press surprised by an announcement from the floor. This was when Congressman Wheeler, Democrat of Georgia, announced that within a half-hour he would present a resolution calling for the impeachment of Justice Douglas. There were only a few members of the press in the gallery, but those that were there immediately ran for their phones, because that was headline news for that day. The old-timers say that there are few incidents that occur which catch the press off guard as this one did.

The discussion of competition between the government and free enterprise continues. Recently in a hearing before the House Government Operations sub-committee, a witness put these facts in the record. The federal government is the nation's largest insurer, lender, landlord, tenant, electric power producer, holder of grazing and timber land, ship owner, grain owner, and truck fleet operator. On September 30, 1952, these activities together with some sixty-odd active government corporations, had assets of nearly 40 billions of dollars, of which some $28 billion was in the form of loans receivable.

An interesting bill was recently introduced which will provide for an annual report by the Commissioner of Education regarding the educational activities carried on by or under the supervision of, or with the aid of the executive branch of the federal government. The sponsor of the bill stated that the federal government is today spending for these educational activities, more money than is spent by the forty-eight states in the operation of all of the public schools. Congressman Barden, ranking minority member on the Committee on Education and Labor, feels that it is about time that the government should furnish a complete report on their educational activities.

The extension of the Reciprocal Trade Agreements for one year was passed by the House, 363 to 35. The only contest arising out of this bill was the question of whether the Tarrif Commission should be increased from a six man body to seven members. On motion this provision was carried 215 to 185, almost on straight party lines. This change was made so that the body would not produce so many three to three decisions.

Our Interstate and Foreign Commerce Committee has reported out, after extended hearings, three different bills. One, an amendment to the Motor Carriers Act, which would prohibit the ICC from passing regulations governing the term or rate of trip-leases. Two, an amendment to the Food and Drug Act, reinstating factory inspections and making those inspections mandatory. Three, an amendment to the Railroad Retirement Act, which would abolish the Social Security offset of those retired railroad workers eligible for both railroad retirement and social security. All three of these measures are quite controversial. The bills reported by the Committee are the result of hearings lasting many days. The Trip-leasing bill has already been placed on the House Calendar by the Rules Committee and should be before the House for action during the week of June 20th. The other bills have not as yet gone to the Rules Committee for their approval to go on the Calendar. These three bills well illustrate the varied legislative jurisdiction of our Committee, which makes service on that Committee so interesting.

There seems to be no doubt but what the Judiciary sub-committee of the House which held hearings in San Francisco and are continuing those hearings here in Washington have uncovered some rather important data which will undoubtedly lead to further indictments. Apparently we have not heard the last of the irregularities in the San Francisco Office of the Bureau of Internal Revenue. This same sub-committee is the one which invited Justice Clark of the Supreme Court to appear before it and he refused. There is still considerable talk that he may be subpoenaed by the Committee.

A very enlightening incident recently occurred in Indiana where Camp Atterbury, near Indianapolis, was scheduled for closing under the economy program. The Chambers of Commerce of Indianapolis, Shelbyville and Columbus, the three cities surrounding Camp Atterbury, have notified the Defense Department that they recognize that national economy comes ahead of local interest. "We have talked about economies so let's be for it even when it hurts" is their view.

The House Ways and Means Committee have closed their hearings on the extension of excess profits tax but the Committee has taken no action. The records of the Committee show that about ten witnesses to one opposed the extension of the tax beyond June 30th.

The Washington Post recently made a survey of the coffee drinking situation in the government buildings. They reported that most federal employees still enjoy a coffee break or two during the day but that it is not the lingering variety of the former days. Coffee at the desk instead of at the snack bar is the new rule in many agencies. This is only one small sample of the increased efficiency and attention to duty now prevalent in Washington.

The Administration continues to carry out its pledge of non-segregation in Washington, D.C. A 313-unit, low rent public housing project in the District is being operated now on a non-segregated basis and at least four more projects will be opened for occupancy of both races by September 1, 1953.

Mrs .Younger has attended two very interesting events. One was her first tea at the White House which was given by Mrs. Eisenhower for the wives of the Members of Congress and the other was a luncheon given by the members of the 83rd Congressional Club, an organization composed of the wives of the new Members of Congress for Mrs. Eisenhower. At this luncheon each of the State Delegations presented a gift to Mrs. Eisenhower. The California delegation presented two orchid plants given by Rod McClellan. One was a small plant named for Mrs. Eisenhower with her consent. Mrs. Younger had the privilege of making the presentation in behalf of the California delegation. Needles to say Mrs. Eisenhower was extremely pleased with this gift. The California delegation is certainly indebted to Mr. Rodney McClellan and the United Airlines for making this gift possible.

STRENGTH FOR THESE DAYS from The Bible

For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.—(Romans 6,23.)

The pleasures of the day may be many, and pursued in vigorous health. But in the stillness of the night, alone with his conscience, each of us yet will come to understand the truth of St. Paul's words, and to know that the choice is ours alone — no one else can or will make it for us.

Bank Of America To Close Saturdays Starting In July

Branches of the Bank of America will go on a Monday through Friday schedule of operation, starting some time during the next few weeks, according to anouncement by President Carl F. Wente.

"The people of California," Wente said, "through the act of their duly elected representatives in passing a bill by almost unanimous vote, have indicated that they are now in favor of the closing of the banks of this state on Saturdays."

Various banking institutions in California have been observing Saturday closing for some time, Wente pointed out. Bank of America, however, has continued to operate all its branches on that day, consistently following its announced policy of providing its customers Saturday banking service until such time as the people, either directly or through their chosen representatives, determine that a change should be made.

The bank will discontinue Saturday banking service after a period of time designed to allow customers to make arrangements to harmonize with the new schedule.

Wente stated further that "study is being given to the bank's schedule of hours on Monday through Friday, with special consideration to unusual conditions existing in any community."

There's only one answer...

Chevrolet trucks must be the best buy!

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the *twelfth* straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.

If you're a truck user, this fact is mighty important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they *must* do a better job at lower cost?

That's why it will pay you to stop in and see us before you buy your next truck.

ANNOUNCEMENT

The people of California, through their duly elected representatives, have indicated that they are now in favor of the closing of the banks of this state on Saturdays. A law giving effect to this has been enacted by the California Legislature and approved by the Governor.

Various banking institutions in California have been observing Saturday closing for some time, but Bank of America has continued to operate all its branches on that day, consistently following its long standing policy of providing its customers with Saturday banking service until such time as the people, either directly or through their chosen representatives, determined that a change should be made.

Such a determination now having been reached, this bank accordingly will discontinue its Saturday banking service, effective Saturday, July 11, 1953.
